VISION

- TO BE A WORLD CLASS COMPANY PROVIDING SERVICES TO HELP OUR CLIENTS SUCCEED

MISSION

- **TO PROVIDE QUALITY AND AFFORDABLE ENGINEERING SERVICES AND SOLUTIONS**
- **TO BOOST OUR CUSTOMERS OPERATIONS BY ENGAGING WELL MOTIVATED EMPLOYEES**
- **TO MEET STAKEHOLDERS EXPECTATIONS WHILE PROTECTING THE ENVIRONMENT.**

COMPANY OVERVIEW

- - ◉ **OMEGA RESOURCES LIMITED** was established on May 1998 under the Company and Allied matters act 1990. The company actually commenced operation in September 2004. The company is an engineering concern which has quality as the cornerstone of its service delivery. The company, in its short life, has been providing quality and cost effective services to its growing clientele.
 - ◉ This company profile gives details of scope of construction experience and qualification of the directors, principal associates and Technical directors of the group and details of some of the major projects executed.

COMPANY OVERVIEW

- - ◉ The Managing Director of the company, Engr Omobayowa Erinle, is a mechanical engineer of over **35years experience in the fields of engineering management, production management and marketing management**. His last assignment before venturing into private business is as General Manager, Business Development for Cakasa Nig Ltd, the leading indigenous EPC company in Nigeria.
 - ◉ He has the overall responsibility to run the business. With his MBA and Fellowship of the Chartered Accountants of Nigeria, he has been profitably managing the organisation.
 - ◉ The Company has since ventured into renewable energy services.
 - ◉ Under the able leadership of Engr Bayo Erinle, the company has, in a relatively short period of time, firmly established itself as a major player in Construction sectors of oil and gas industry. It has been able to earn the confidence of numerous clients who are leaders in their sector These Clients include:
